CONDITIONS OF ENTRY

1 UK ATHLETICS RULES

All events will be subject to UKA Rules for Competition

2 EVENT RESTRICTIONS

The committee reserves the right to cancel any event which the entries are insufficient to justify the holding of a competition.

As we are short of officials, events will not be held if there are insufficient entries, and it is probable that the number of trials in field events will have to be restricted.

IMPORTANT PLEASE READ NOTES BELOW

As with the reduced number of officials, and dependent on entry levels, there may need to be some adjustment e.g. combining male and female throwing events.

Please be aware that if an athlete enters a track event and a field event there are likely to be clashes in the case your events clash, it is suggested that the athlete or athletes coach or parent report to the field event judge to register. When the athlete returns to the field event they may then join in at the point that the field event is in, i.e. if they return and trial 2 has started the athlete must join in at that stage meaning they will miss trial 1. In the high jump and pole vault they may enter at the height of the bar when they return, provided that the second round at that height has not already started.

If you have not received an email confirmation by the 6th May 2019.
Please make sure you do contact me, so that you receive your confirmation.
